**TOY
BIZ,
INC.**

MARVEL'S® X-MEN®, NEW EXPANDED LINE FROM TOY BIZ, INC.

Action Figures, Playsets, Vehicles, Electronics And More!

Marvel's® X-MEN®! A favorite Marvel® Comics team for more than three decades. The #1 selling comic book in North America. A hit animated series on FOX-TV. A leading line of toys from Toy Biz, Inc.

This group of mutants with super human abilities have spawned a pop culture phenomenon known as X-Mania. Rejected by society, they banded together under the direction of Professor X to battle prejudice and promote harmony.

The new '95 X-MEN line includes:

- **X-MEN® 5" ACTION FIGURES:** All 45 new original, articulated 5" action figures feature their own dedicated character actions, weapons and accessories. Includes X-MEN, GENERATION X, X-MEN 2099 and X-FORCE. Over 25 million X-MEN figures have been sold in the last two years. The complete line of Toy Biz X-MEN action figures includes over 60 figures in '95. For ages five and up. *Suggested retail price: \$5.99.*
- **X-MEN® DELUXE EDITION 10" ACTION FIGURES:** Four new 10" articulated action figures armed with mutant weapons. For ages five and up. *Suggested retail price: \$9.99.*
- **X-MEN® 7" PROJECTORS:** Five new 7" action figures, with projectors and changeable disks built-in their chests, flash images from the X-MEN animated TV show. Also features action phrases. Each fully poseable, articulated figure also features action phrases and includes three action disks. For ages five and up. Requires 2 "AAA" batteries, sold separately. *Suggested retail price: \$9.99.*
- **X-MEN® 2.5" DIE-CAST FIGURES:** Four new 2.5" die-cast metal poseable
more

SHOWROOM: 1107 BROADWAY • NEW YORK, N.Y. 10010 • 212-633-1520

figures sets, sold in dueling combo pairs, include collector display stand and fact filled bio cards on package backs. For ages five and up. *Suggested retail price: \$4.99.*

- **X-MEN® WOLVERINE 12" COLLECTOR HERO:** This articulated, fully-poseable 12" figure comes complete with everything necessary for Wolverine to masquerade as human. Includes mutant hero costume and weapon; plus civilian coat, shirt, pants and boots. For ages five and up. *Suggested retail price: \$29.99.*
- **X-MEN® HEADQUARTERS PLAYSET:** Designed around the X-MEN Danger Room and War Room, this portable, PLAYSET is loaded with X-citing features, moving mechanisms and more. Other special features include Cerebro Computer Center and Pivoting Spiked Bomb Chamber. For play with 5" action figures. For ages five and up. *Suggested retail price: \$39.99.*
- **X-MEN® VEHICLES:** The new MINI BLACKBIRD JET™ and WOLVERINE™ JEEP™ are made for X-MEN on the go. For play with 5" action figures. For ages five and up. *Suggested retail price: \$9.99.*
- **X-MEN® WOLVERINE™ DRESS-UP SET:** Wolverine mask, chest plate and claw gloves -- both with mechanical features to simulate Wolvie's signature retractable claws -- transform any human into this favorite mutant. For ages five and up. *Suggested retail price: \$24.99.*
- **X-MEN® 15" ELECTRONIC TALKING WOLVERINE®:** The mutant with an attitude comes to life. Touch the button on his chest and this 15" ELECTRONIC TALKING WOLVERINE says one of four mutant phrases. Also features articulated neck, shoulders, waist and hips. Requires 2 "AA" batteries, included. For ages five and up. *Suggested retail price: \$24.99.*
- **X-MEN® ELECTRONIC TALKING PINBALL:** Wolverine leaps into combat in the Danger Room in this 18" tabletop pinball game. He even taunts, "Take your best shot!" Features sound effects; LED danger lights; 3-ball reset; automatic digital scoring; and more. Requires 4 "C" cell batteries, sold separately. For ages five and up. *Suggested retail price: \$39.95.*
